Accessing Lynda.com from your Android device (available for faculty and staff)

1) Go to the Play Store icon on your device and search for Lynda.com

2) Tap the **Install** button and ACCEPT the permissions notice to install the app. After the installation completes, you will find the Lynda.com app in your phone or tablet's Apps listing. (If you anticipate using the app frequently, place it (tap/hold/drag) onto one of your home screens for easy access.)

3) Tap the Lynda.com icon to launch the app, then use the control (⋮) to get to **Log in**. Choose the WEB PORTAL option on the **Log in** screen, type "appstate.edu" in the box, and tap **Log in**.

4) On the resulting Shibboleth login page, use your Appalachian credentials to start using Lynda.com
